CAPTION:

Authorizing the Mayor or his designee to accept on behalf of the Atlanta Fire Department the donation of a 1991 Ford F800 Crew Truck valued at Fifteen Thousand dollars (15,000) from the Atlanta Gas Light Company for the purpose of providing a vehicle to support Confined Space Rescue efforts.

BACKGROUND/PURPOSE/DISCUSSION:

The Atlanta Fire Department has accepted the responsibility of providing the City of Atlanta the additional technical rescue capability of Confined Space Rescue. This operation requires additional rope, supplied air breathing apparatus, communication equipment, air monitoring equipment and various EMS related equipment. At the present, this equipment is not all stored on the Squad unit. The amount of equipment the squad has obtained since its inception has tripled. The addition of the Atlanta Gas Light Ford will allow the AFD to devote one (1) additional unit to Confined Space Rescue initiatives and provide this service to the citizens of Atlanta in a timely manner.
